

10/14/11

Dear Parents and/or Guardians of Chango 4th and 5th Grade Students:

As an extension of my Physical Education Program, I will again be offering Intramurals for all interested 4th and 5th Grade students that will begin on **Monday October 24th, 2011** and will continue until **Thursday February 16th, 2012**. The Intramural Program is a time before school during which students can participate in sports, games, and activities related to the Physical Education Program.

This year Intramurals will be held from **8:15-9:00am on Mondays for 5th Graders** and from **8:15-9:00am on Thursdays for 4th Graders**. Parents MUST provide student transportation to the school for intramurals as there is no early morning bus run at Chango. Additionally, students SHOULD NOT arrive before 8:00am as there will be no one available to supervise them.

The tentative activities that will be taking place during the 2011-2012 school year are as follows:

- Indoor Soccer
- Tennis and Badminton Games
- Various Games (Pinball, Capture the Flag, Crab Soccer, etc.)
- Bowling
- Gymnastics- Mats and All Equipment
- Basketball Games

Most activities will correspond with the Units that are going on in our Physical Education classes.

If you would like to have your child participate in all, some, most, a few days, etc., of the *optional* Intramural Program, please complete, sign, and date the permission slip that appears on the next page and have your child return it to me. Children who do not have a signed parent/guardian permission slip **WILL NOT** be allowed to participate in the Intramural Program until the slip is returned.

**** Please note****

Intramurals will not take place whenever school is closed due to one or two hour delays, scheduled holidays, and/or any other weather delays.

(Over)

Any student displaying misbehavior and/or poor sportsmanship during intramurals AND/OR during the school day will be dismissed from the program.

Choosing to participate in the *optional* Intramural program will have no effect on a student's grade in Physical Education class.
