2009 - 2010 Karigon PTA Membership Drive

Membership in the Karigon PTA gives all family members a way to support our children and the Karigon Community. Membership only involves a small fee of \$5 per person or \$10 per couple, and does not obligate the member any further. We strongly encourage both parents as well as adult family members to join. This helps to show our children and their teachers that we support the Karigon Community. Your memberships show support for many cultural, artistic and social programs throughout the year.

Purposes of the PTA

- **To promote the welfare of children and youth in home, school, community and place of worship.**
- **To raise the standards of home life.**
- **To secure adequate laws for the care and protection of children and youth.**
- **To bring into closer relation the home and school, that parents and teachers may cooperate intelligently in the education of children and youth.**
- **To develop between educators and the general public such united efforts as will secure for all children and youth the highest advantages in physical, mental, social and spiritual education.**

Help us to make a difference in the lives of the children of Karigon and join now. Complete the attached form and return it to your child's teacher with your check made payable to the *Karigon PTA*.
