

Shatekon PTA Presents

A S E P

2012 After School Enrichment Program

When: For 5 consecutive weeks
Beginning Monday, February 27, 2010
Ending Friday, March 2, 2010

Where: Shatekon Elementary School

Why: To have tons of fun and avoid the wintertime blues!!!

The PTA organizes this program under the theory that enrichment is for everyone. To teach these programs, we are bringing in knowledgeable instructors from all over the Capital District and Shatekon parent volunteers. The PTA makes no profit from these enrichment programs.

We feel that we have an exciting program planned. Anyone with questions about the program or registration should call Stacie Walker at 348-0493, e-mail cwalker1@nycap.rr.com.

REGISTRATION:

Complete the enclosed *registration form*, *New York State PTA Student Permission Slip/Waiver* and bring your **check payable to "Shatekon PTA"** for the appropriate amount. **Registration will take place in person on Monday, February 13th from 6:00 to 7:00pm in the Shatekon lobby. *In the interest of time, parents are encouraged to have the above mentioned forms completed prior to registration.***

Each class has a maximum number of students who can be enrolled. Once this maximum is reached, the class will be closed. Unfortunately, some classes also have a minimum enrollment. If a class does not meet its minimum enrollment, the class may be cancelled. ***Registration is on a first come first served basis.***

Please register your child for a course appropriate for your child's grade level. The PTA strives to offer programs for all grade levels, but cannot alter the grade level requirements for courses.

Policies and Procedures

Classes: Children will report to their assigned rooms at 2:15. Parent pick-up is at 3:15 unless otherwise noted.

Sign out: You must sign out your child at his/her classroom at 3:15 pm. If someone other than an authorized individual is signing out a child, a **signed written note and photo identification will be required**. All children must be picked up promptly. Should an emergency arise, you must make arrangements to have your child picked up from the Program. Failure to adhere to this policy will result in dismissal from the Program.

Cancellations: All after school programs will be canceled if there is a snow day, if school is dismissed early because of the weather or if Shen after school activities are canceled, children will be instructed to go home on their regular bus.

Expectations: While ASEP offers a more casual atmosphere than regular class, children are expected to be cooperative and considerate of others. Further, teachers are still working in the building at this hour. Please remind your child that he/she is a guest in the building and should act accordingly. Classrooms are volunteered by teachers, and must be left neat and clean. Any child who shows us through his/her behavior that he/she is not willing to follow the rules will be removed and parents will be contacted. A repeatedly disruptive child will be asked to withdraw from the program and the fee will be forfeited.

Emergencies / Absences:

Accurate phone number - please make sure that someone is available at either the main phone number or the emergency phone number listed for your child at all times during the program. It is essential that volunteers can contact you during the program. Please reinforce your family emergency plan prior to the start of the program.

Absent from school and absent from ASEP- it is your responsibility to contact the Shatekon office, if your child will not attend the program due to illness or other plans. Office: 881-0540.

Medication normally administered during the school day will be unavailable after 3:15 pm. In case of emergency, 911 will be called.
