

## Our First Book Club Order

Dear Families,

Throughout the year you will receive book orders from Scholastic Book Clubs. This is a great opportunity for you to build your child's at-home library with quality and inexpensive books. This is also a really great way to help bring more quality literature selections into our classroom library. For every dollar you spend, I will be able to earn points to buy books for our classroom. Each month I will include a couple of club order forms... some with different themes and some at different reading levels. For September I've included *Firefly* and *See Saw* Book Orders.

When you look over the selections, please notice that there will usually be a key at the bottom of the first page that will help you choose the appropriate reading level for your child. Also, I am always able to recommend levels or books for you. There are also many great choices for you to read aloud to your child. I'll be talking more about reading with your child at Open House, but as you probably already know reading aloud is the most important thing you can do to help further your child's learning at home. This can be your "homework"!

If you choose to place an order, please return the order form with a check payable to Scholastic Book Clubs. **You may write one check even if you order from more than one order form.** I would like to have all orders returned by \_\_\_\_\_.  
Please let me know if you have any questions.

Thank you and happy reading!  
Katelyn Cromer
