

Mrs. Schunk's First Grade News

May 4, 2012

What We Have Been Doing

This week we have been working hard on our Mother's day surprises. The kids are looking forward to next Friday. We also had our ice cream party today that we won from having the most attendance at McDonald's Night.

In Math we wrapped up 3-D shapes. The students learned about faces and corners. They all picked up on the names very quickly.

In Science we started our unit on solids and liquids. We have done a few lessons using the solids. They had a lot of fun learning about which objects can roll and why some roll farther than others.

Next Week's Activities

- Spelling Week- List 28
- Math- Grouping
- Theme: Solids and Liquids

Parent Reminders

If you would like to order a field day shirt they are due on May 22.

Field Day is on June 5th.

The Mother's Day Tea is at 1:00 on Friday, May 11th.

Please practice addition and subtraction facts with your student.
