Ball in the House is five guys, five voices, that's it. This Boston-based group takes a cappella to the next stage, with vocal drums/beatbox and vocal bass under their pop harmonies to create a sound that's hard to believe. They've been astounding audiences nationally, both with their exciting live show (over 250 a year!) and with their recordings (their own CDs as well as the Cool Whip radio and TV ads).

*"Jaw-dropping a cappella brilliance, Top 10 song crafting skills, and genius arrangements make Ball in the House one of the best bands around bar none."
(Songwriter's Monthly)*

Please return to Skano Library by Monday, June 21st.
