

Skano Summer Book Exchange

Dear Skano Family,

In an effort to keep our library books from collecting dust, I'm offering a summer book exchange. Of course, there is also the added benefit of having our children read during the vacation (yay!).

Students will be able to borrow up to ten books and keep them for the whole summer. They will return the books to the library during the first week of school (September 7th and 8th). Only students with records in good standing and who have returned a signed permission slip are eligible to participate. If you are moving over the summer and will remain in the district, your child is welcome to join the fun. Your child may return the books to his or her new school's library. Unfortunately, if you will be leaving Shenendehowa CSD, your child is ineligible.

Teachers will sign up for a slot to send their students down to do summer book exchange from June 16th- 23rd. If your child is absent during that time, we will find another opportunity for him or her to pop down. Please consider providing a reusable bag in which your child may bring the books home.

It's time to say good bye to Skano for the summer, but that doesn't mean we should say good bye to books. Please consider taking part and show that Skano truly is a community of readers!

Sincerely,
Mrs. Kirby-LeMon
kirbsusa@shenet.org

Please return this slip to your teacher by June 15th!

I give permission for _____ to

borrow _____ books. I acknowledge that my child is responsible for returning
(# of books)

his/her materials during the first week of school in September.
