Dear Parents and Guardians,

We are excited to announce that we are offering Telling Tales through Technology (TTT) Club this year for 5<sup>th</sup> grade students. We will be creating a storyboard about a story we've read (we will provide options for the students), or about something in which we are interested and then retelling it via images and text in Comic Life.

The schedule is a bit sporadic. We will meet in the library and/or computer lab on 5/25, 5/31, 6/1, 6/6 and 6/8, from 2:15 to 4:00. You must be able to pick up your child, for there will be no late bus available for him or her to take home on these days.

If your child is interested, please return this permission slip to the library by Wednesday, May 25<sup>th</sup>. Space is limited due to technology access. If we have more students than we are able to accommodate, we will have a lottery. We will notify you by Wednesday morning if there is a need to limit the club.

There will be a charge of \$1.00 per student to cover the cost of materials. Parents will be asked to contribute a snack for one meeting (no food with nuts please). Please send that in to the library at any time so we have something for our first meeting on the 25<sup>th</sup>.

Thank you,
