January 15, 2010

To Parents/Guardians of all Fifth Grade Students:

You are invited to participate in a "Parent Review" presentation of the information that will be shared with all fifth grade students in the coming weeks concerning human body maturation. The presentation will be held on Monday, February 1 and Tuesday, February 2. Both sessions will take place in the Middle School Auditorium (please enter through Gowana's main entrance), from 6:30 to 7:30 p.m. Please feel free to attend whichever session is most convenient for you. Should we need to cancel one of the dates due to inclement weather, we will conduct a session on Wednesday, February 3.

During the presentation you will learn about the content and format of the separate boy and girl classroom presentations and have an opportunity to ask questions.

Mrs. Carol Funiyak, a Shenendehowa staff member and certified Health Teacher, will make the parent and classroom presentations. She is looking forward to meeting with you to share her insights and respond to any questions you may have about this special program offering. If you wish to speak to Mrs. Funiyak before the presentation, she can be reached at 881-0450, ext. 53205 or by email at funycaro@shenet.org.

Sincerely,

Benjamin Roberts
