

# Kindergarten News of the Week

Mrs. Meagher's Class  
October 3rd

## Lessons and Information

1. Wow! I was impressed with the book boxes that the children created. They were so excited about sharing the special stickers and decorations on the boxes. I promise to send home lots of books to fill them up. If you didn't send back the homework envelope that the information sheet came in, please return it so we send it home again with this week's homework and put a sticker on it for doing such a great job!
2. Our first BEST Assembly will be on October 7<sup>th</sup> and each grade level is assigned a color to wear. Our color is blue and many children wear navy blue but any color blue is fine.
3. The weather hasn't been cooperating for our Alphabet Days and we had to postpone the Nature Walk for the morning class. We had fun anyway making a graph of our names. Hopefully we can go out on Monday for our Outside Day.
4. We are also starting our unit on the apples. We will be talking about the different types of apples and the way apple trees change through the year. For homework the kindergartners will be graphing a set of apples and then dictating a sentence about the graph.

## Activities and Reminders

You are welcome to send in your child's library book any time after you have read it. There is a blue basket in the room where we collect them.

Show and Tell this week is free choice.

Friday is an Early Release Day – Expect the PM Class get off the bus 15 minutes early.
