

Dear Parents,

We made it and what a great year it has been!

Here is what's happening in Grade 1:

Grade 1 Field Day – Tuesday, June 8th

Harcourt Reading – continuing with long vowel word patterns, such as -ai, -ay, -ind, -ild, -oll and -old. We also are reviewing high frequency words from List 1, 2 & 3.

We are working hard on our listening comprehension skills as well as reviewing identifying a noun in a sentence. The children have also been working on identifying the verb within a sentence and we will be discussing what the “main idea” of a paragraph is.

Math Concepts: Chapter 10 – Solving Addition & Subtraction problems with double facts, related facts, and fact families.

School Picnic, Monday, June 14th ** Please send your child with their usual AM and PM snacks and also a lunch if they do not want the picnic lunch of a hot dog, chips, a cookie, carrot sticks and milk. The Language Concepts children will attend the picnic with their regular Kindergarten class at which time they will have a snack. They will receive their picnic lunch during their regular lunch time at 10:45!

Half Day of School, Friday June 11th & 18th. All Language Concepts students attend. Dismissal is at 11:08.

The Last Day of school is Thursday, June 24th. ** All grade 1 Language Concepts students will spend the half day in their regular Grade 1 classroom. Dismissal on this day is 11:08.
