

## February News from Kindergarten Language Concepts

This month we will focus on the letters Hh, Bb and Kk. We will incorporate learning these letters and letter sounds into various Valentine's Day activities. Upon returning from Winter Recess, we will review the sounds as well as the proper formation of each letter we have learned up to this point in the year. The children are enjoying playing many fun games such as Bingo and Go Fish using letters, numbers and sight words!

This month, we are reviewing color words as well as two new high frequency words; "do" and "what."

The children are doing a nice job increasing their ability to listen for longer periods of time as well as following directions and completing multi-step activities independently.

At the writing center, this month, the children have materials to create their own Valentines! Be sure to check their folders to see if they have made one for someone special at home!

Our Theme in the classroom this month is Hearts, Love & Valentine's Day! Be looking in your child's folder after February recess to see all of the fun crafts we created to decorate our room and hallway next to our classroom. We will be reading many books to go along with our theme, including one of our favorites "The Biggest Valentine Ever."

As you know February and March are PARP months. In March, we will be having the very popular Library Night. Our class has chosen the book we will be representing for the window scavenger hunt and will be working on it throughout the month of February. Come on out for a fun night with your children and get a chance to see their creativity through the classroom window displays!

During the month of February we will continue to work on the following math concepts : one-to-one correspondence, matching, making groups, and comparing groups using the vocabulary more, less, same, different and equal to. We will continue to work on counting objects to 30, recognizing numbers and writing numbers to 20.

### IMPORTANT INFORMATION:

Winter Recess - 2/15 - 2/19

100<sup>th</sup> day of school celebration following Winter Recess! Be looking for more information coming home from your child's classroom teacher.
