COVENANTS

1. DURATION OF AGREEMENT.

The term of this Amended Agreement shall be five years, the maximum allowable period pursuant to Education Law, beginning July 1, 2017 and ending June 30, 2022, unless such term is sooner terminated pursuant to the provisions of this Agreement, or is extended pursuant to the provisions of Section 5 Paragraph A hereof.

2. DUTIES AND RESPONSIBILITIES.

A. Legal Authority and Additional Assigned Duties. The Superintendent shall be the Chief Executive Officer of the District, and shall perform all the duties of, and possess all the authority now or hereafter imposed upon or granted to, a Superintendent of Schools by the provisions of the laws and regulations of the United States of America, and the laws and regulations of New York State. Consistent with and pursuant to Education Law section 211-b (5)(a), the Superintendent is required to and shall cooperate fully with any distinguished educator appointed by the commissioner, as required by law.

The Board may, from time to time, prescribe additional duties and responsibilities for the Superintendent, provided, however, that such duties and responsibilities shall be consistent with those normally associated with the position of Superintendent of Schools in New York State.

The Board shall not, without the Superintendent's written consent, adopt a policy, by-law, or regulation that impairs or reduces the duties and authority specified above. This provision shall continue in full force and effect during any period of suspension. Throughout the period of his employment as Superintendent, the Superintendent shall perform and discharge his duties and responsibilities as Superintendent of Schools for the District faithfully, diligently, and in accordance with accepted professional standards.

B. Duty to Devote Full Time and Attention to the Employment. Throughout the period of his employment as Superintendent, the Superintendent shall devote his full time, skill, labor and attention to the discharge of his duties to the best of his ability. The Superintendent may, however, undertake consultative work, speaking engagements, writing, lecturing or other professional duties, obligations and activities, with or without remuneration, so long as such activities do not interfere with the full and faithful discharge of the Superintendent's duties and responsibilities as specified herein. Should the Board determine that the Superintendent is devoting an excessive amount of time and attention to such activities, it shall so inform the Superintendent, and shall engage in discussions to reach mutually acceptable limitations on his future participation in such activities.

C. Attendance at Board Meetings. The Superintendent shall be notified of and shall have the right to attend all meetings of the Board, including Executive Sessions of the Board, except that the Board may exclude the Superintendent from any portion of a meeting during which they are discussing his performance and salary.

D. Attendance at Conferences. It is expected and understood that the Superintendent's professional duties and responsibilities shall include attendance at and participation in conferences, meetings of professional organizations, and other similar or related professional development activities on a regular basis throughout his service in the District. Time spent in such activities shall be considered working time and shall not be credited against leave allowances, and the reasonable expenses of the Superintendent related to such activities shall be paid or reimbursed

Should the Board deem the Superintendent's absence from the District for the purpose of such attendance and participation in conferences and meetings to be excessive, it shall so inform the Superintendent, and shall engage in discussions to reach mutually acceptable limitations on future absences for that purpose.

E. Duty to Inform Board of Absence from District. The Superintendent shall advise the President of the Board of Education of any contemplated absence from the District in excess of three (3) school days.

Should the Superintendent's certificate at any time lapse or be terminated, his employment shall be terminated automatically

B. Medical Examination. Upon commencing service in the District, and once during each year of his employment thereafter, the Superintendent shall have a comprehensive medical examination performed by a duly licensed physician of his choice and shall file with the District Clerk a statement from the examining physician certifying his physical competency to perform his duties. Such statement will be treated as confidential information and shall not be discussed or released by any member of the Board. Any cost for such annual medical examination not covered by the Superintendent's health insurance shall be paid by the District.

C. Residence in District. The Superintendent shall maintain his primary residence and domicile within the District throughout the period of his continued service.

4. ANNUAL GOALS, OBJECTIVES AND EVALUATION.

A. On or before August 31 of each year of the Superintendent's continuing employment, the Superintendent and the Board shall meet to discuss and develop the annual goals and objectives on which the Superintendent will concentrate during the upcoming school year.

B. On or before January 31 of each year of the Superintendent's continuing employment the Board shall conduct a mid-year assessment of the Superintendent's progress towards achieving those goals and objectives and shall notify the Superintendent, in writing, of any changes or modifications which the Board would like and the Superintendent shall concentrate on those areas.

C. The Board shall conduct an evaluation of the Superintendent's performance during each year of his continuing employment and shall provide the Superintendent with a written evaluation, to be discussed with the Superintendent in an executive session of the Board held no later than June 15th. The Board shall base its evaluation both on the Superintendent's performance and progress towards the goals and objectives established by the Superintendent and the Board and on the general performance of the Superintendent in carrying out his required duties and responsibilities. The form of the written evaluation shall be mutually agreed upon between the parties.

D. The Board shall, individually and collectively, promptly and discreetly refer any and all criticisms, complaints, suggestions, and communications or comments it has or receives from any source regarding the administration of the District or the Superintendent's performance of his duties to the Superintendent, in writing, for his study and

recommendation. The Board may use the mid-year assessment and the year-end evaluation to address with the Superintendent any concerns it may have or any concerns it has received from others.

E. Any assessment or performance evaluation prepared pursuant to this Section 4 shall be confidential and shall be kept so by the Board and individual Board members.

5. CONTINUATION/TERMINATION OF EMPLOYMENT

A. Extension of this Agreement. The Board shall, no later than June 30 in each year of the Superintendent's continuing employment, meet to consider extending the term of the Superintendent's employment for an additional year. At each such meeting, a motion to extend the term of this Agreement in accordance with this Paragraph will be made, seconded and voted upon by the Board. If the Board fails to consider such a resolution on or before June 30 in any year the Superintendent may require that it do so at its next regularly scheduled Board meeting. It is the parties' expectation that the Superintendent's term of employment will be extended at the time of such Board consideration, provided the Superintendent has previously rendered competent and efficient service and faithfully discharged the duties of his position; however, under no circumstances will the Superintendent be entitled to an extension of the term in the absence of an affirmative vote of the Board granting such extension. This Agreement shall be in effect throughout the period of the Superintendent's continuous employment in that position unless mutually amended or terminated by the parties, which amendment or termination shall be effective only if in writing executed on behalf of both parties.

B. Waiver. The Superintendent may waive the procedural requirements of Paragraph 5.A. upon written notice to the Board, signed by the Superintendent.

C. Signed Amendments. Each extension of the term of the Superintendent's employment shall be memorialized by a written, signed amendment to this Agreement, and shall be upon the same terms and conditions as herein set forth unless otherwise agreed in writing by both parties. However, the failure of either party to prepare or sign such amendment shall not vitiate the extension approved by the Board.

D. Voluntary or Agreed-Upon Termination. This Agreement may be terminated at any time, without cause, by mutual agreement, in writing, between the Superintendent and the Board. The Superintendent may resign, at any time, on ninety (90) days written notice submitted to the President of the Board; it is the intent and expectation of the parties that any such resignation shall be effective at the conclusion of a school year.

E. Involuntary Termination. The Superintendent's employment may be terminated prior to the end of the term of this Agreement for cause, in accordance with the procedures set forth below. Cause for termination may include, but is not limited to, a failure to comply with or adhere to any of the provisions of this Agreement.

i) Charges against the Superintendent may be brought only by majority vote of the Board. Criticisms & complaints that have not been previously brought to the superintendent's attention cannot form the basis of charges. Prior to adoption, the charges shall be discussed in Executive Session; the Board shall thereafter vote in Public Session on whether or not to adopt the charges so discussed, without public disclosure of the nature or text of the charges. Within 24 hours of the Board's adoption of charges, the Superintendent shall be provided a written copy of the charges so brought. The Superintendent shall be provided with written notice of the specific charges alleged to constitute cause, and shall have an opportunity for a hearing on those charges; he may be suspended, by majority vote of the Board, pending the outcome of the hearing, but any such suspension shall be with full pay and

benefits. Such hearing shall occur no earlier than thirty (30) calendar days following the Superintendent's receipt of the written charges. The hearing shall be held before a Neutral Hearing Officer, who shall be an attorney at law, to be selected by the parties using procedures and lists supplied by the American Arbitration Association. The hearing shall not be a formal evidentiary hearing conducted pursuant to the strict rules of evidence, but shall afford the Superintendent the following rights: to elect a public or private hearing; to be represented by counsel; to present, cross-examine and subpoena witnesses; to have all testimony given under oath; to receive without cost an accurate written transcript of the proceedings; and to receive written findings of fact and conclusions of law. The District, at its expense, shall provide a certified shorthand or court reporter who will transcribe all proceedings. The Hearing Officer shall, within seven (7) calendar days of the close of the hearing, render a decision as to whether there is cause to terminate the Superintendent's employment, or to take other disciplinary action against the Superintendent, which shall be final and binding upon the parties, subject to their respective rights to appeal in accordance with law. The Superintendent shall be solely responsible for any expenses he incurs in connection with such hearing.

ii) Upon the conclusion of the hearing the Hearing Officer shall prepare and submit a written decision, including findings of fact and a disposition of each Charge. The Hearing Officer's decision shall be final and binding upon the parties, subject to their respective rights to appeal in accordance with law. If the superintendent is successful in the hearing the District shall pay applicable attorney's fees.

F. Disability of the Superintendent. If the Superintendent is unable, by reason of illness, accident, disability or other cause beyond his control, to perform the duties and responsibilities of his position in accordance with this Agreement he shall cause his physician or physicians to make a written report to the Board of such illness, injury or disability and shall, at the Board's expense, submit to an examination by a physician or physicians designated by the Board for that purpose, at such reasonable time or times as the Board shall request. In the event the Board's physician shall disagree with the conclusions of the Superintendent's physician concerning the extent of his disability, he shall submit to examination, at District expense, by a third physician, selected by mutual agreement of his physician and the Board's physician; the decision of such third physician with respect to whether the Superintendent is able to perform the duties of his position shall be final and binding on both parties. During the period of his continuing absence caused by his inability or alleged inability to perform his duties the Board may appoint an Acting Superintendent of Schools who shall temporarily perform those duties at the pleasure of the Board. If, by reason of illness, accident, disability or other cause beyond his control, it is anticipated that the Superintendent will remain unable to perform the duties and responsibilities of his position in accordance with this Agreement for a period of six (6) months after his accumulated and unused leave entitlements have been exhausted the Board may, in its sole discretion, terminate this Agreement upon written notice to the Superintendent. In such event the compensation provided for herein shall be paid to the Superintendent for a period of three (3) months beyond the point at which his leave allowances were fully exhausted.

G. Agreement Terminates on Termination of Employment. Upon termination, whether by the Board or the Superintendent, of the Superintendent's services, this Agreement shall also be terminated, except to the extent that it explicitly provides for continuation beyond that time. Any provision of this Agreement, as it now exists or as it may hereafter be amended, which references dates or periods falling after the conclusion of the Term set forth in Section 1 Paragraph A hereof, as such Paragraph may be amended and extended from time to time, shall not be interpreted as providing for continuation beyond the date of termination of the Superintendent's services.
