

This week's Shen Story highlights Financial Literacy Month featuring [Mrs. Kuhn's fourth graders at Chango](#). Students became engineers, working for the "Perimeter Fence Company," calculating the area, perimeter and cost of backyard fences.

Heading into a new month, we look forward to highlighting May's themes, which include:

- Mental Health Awareness Month
- National Military Appreciation Month
- Asian American and Pacific Islander Heritage Month
- Teacher Appreciation Week (May 2-6)

Send your stories/photos, etc. to valelind@shenschools.org to be featured!
