

Summer Education and Enrichment

2023 SUMMER SCHOOL and ENGLISH AS A NEW LANGUAGE (ENL) GRADES 6-12

Summer School – The Shenendehowa Summer School Program provides students in grades 6-12 an opportunity to take courses for credit recovery, skill building, and acceleration (Hybrid Health). The ENL program extends into the summer to provide a continuous opportunity for students to build essential skills. **The program will be held in-person at High School West, July 10- August 15, Mondays - Thursdays from 8 a.m. to 12:05 p.m.**

Administrators: Jennifer Lee-Alden, Summer School Principal leejenn@shenschools.org
Dr. Catherine Guthrie, Summer School Assistant Principal guthcath@shenschools.org

Please see the following links for more information about:

- [Summer School Calendar of Important Dates and Office phone number](#)
- Middle School classes
- [High School Credit Recovery courses](#) (classes students failed during the 2022-23 school year)
- [Initial Credit courses](#) (courses not taken previously - see course descriptions for eligibility requirements): Health Hybrid, Economics, HVCC Pre-Calculus

Information will be updated if changes are made to the schedule or course offerings.

Registration

This year registration for all courses will be completed online by Middle School and High School Counselors and/or the Summer School Office.

Shenendehowa residents who are currently registered with the district to attend private schools may register for Summer School classes by calling 518.881.0340, ext. 61480 after June 28. Documentation for summer school eligibility will need to be provided by the private school administration.

Chromebooks

Students are expected to bring their charged Chromebooks to Summer School daily. Assistance will be provided to resolve problems that occur with devices.

Transportation

Transportation to Summer School is offered at the beginning of each day (arrival time at HS West approx. 7:30 a.m.) and at the end of each school day (approximate departure time from HS West is 12:15 p.m.). Buses will stop at various street locations, similar to those used for Late Bus transportation. **Buses WILL NOT stop at individual homes.** Parents/guardians may also provide their own transportation to and from Summer School. During the registration process, parents/guardians will indicate if their child will use school transportation.

A link to Transportation routes for Summer School grades 6-12 will be linked here around July 5th: AM and PM.

Meals

Breakfast and lunch will be offered in the 2023 Summer School program. A la carte items (bottled water, juice drinks, snacks) are also available.

The Bountiful Backpack program is available to eligible students during the summer session. Students who participate during the regular school year will be continued during the summer session. Please contact Summer School Counselor Niki Tebbano (tebbniki@shenschools.org) for more information.
